

# Ch 24: Sin and Mankind

## Lesson 1

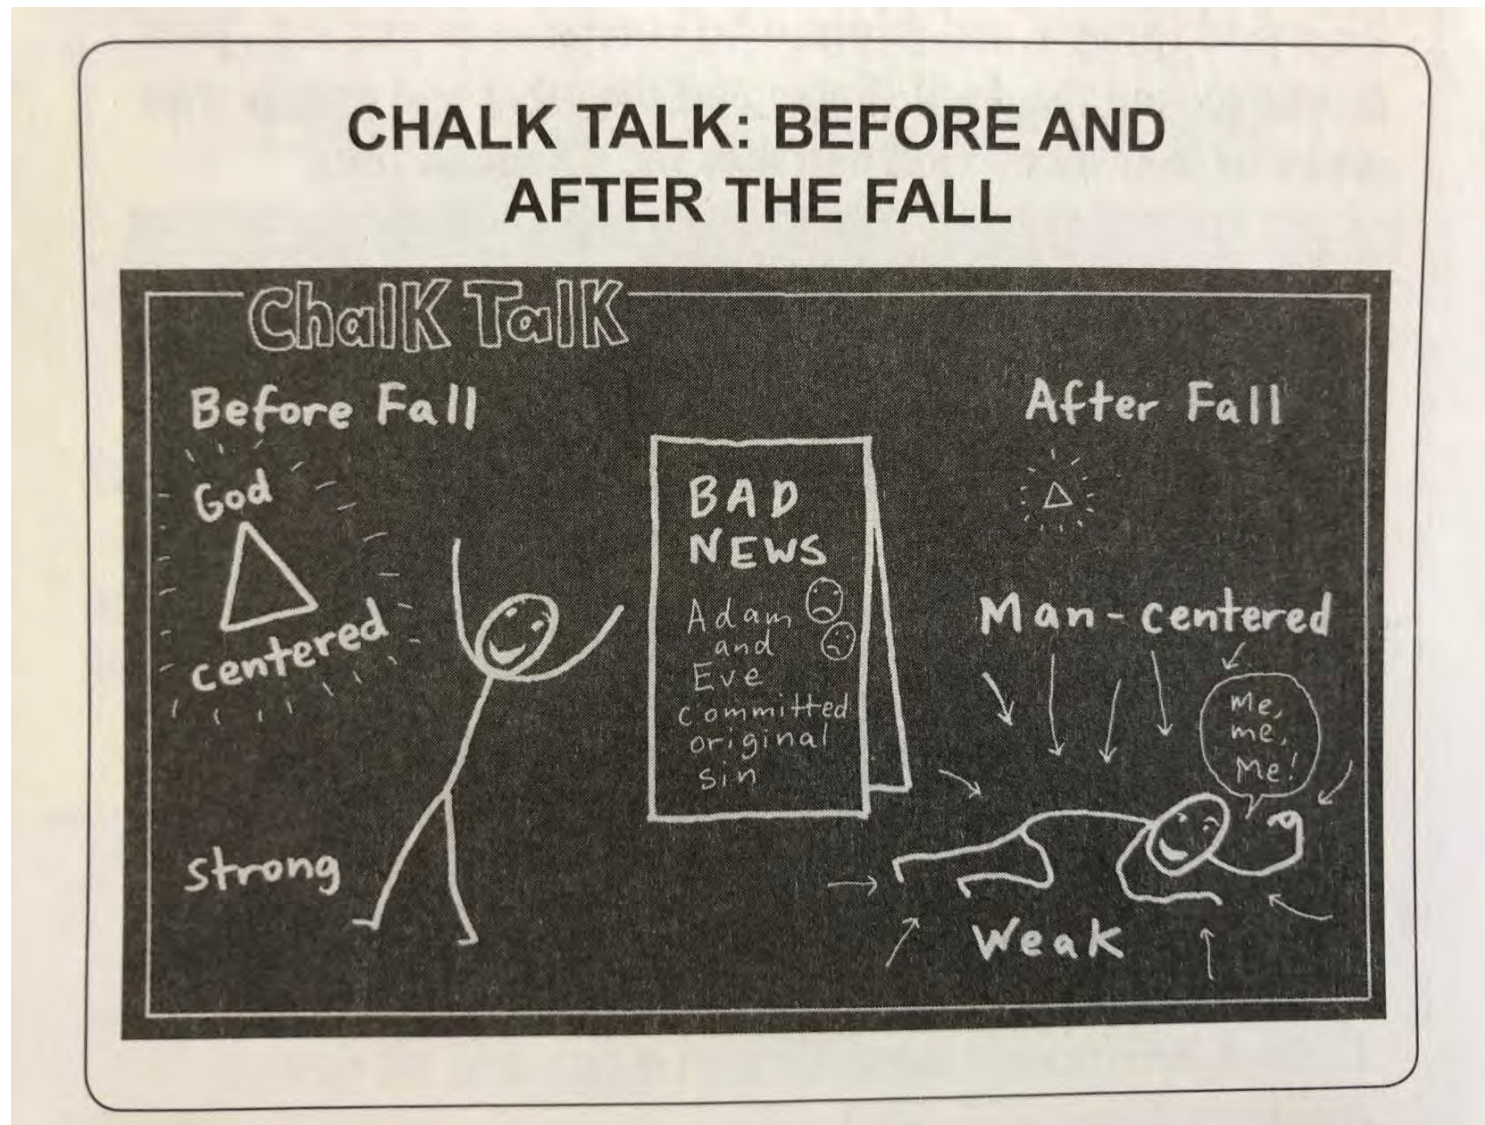

pg 123

**Goal:** Learn that as a result of Original Sin, man suffers from concupiscence, which is an inclination to sin.

Understand that the Ten Commandments are binding for all men.

If Jesus brought us the "Good News" what is the "Bad News"?

**Original Sin**  
**Concupiscence**

This bothered St. Paul!

"What I do, I do not understand. For I do not do what I want, but I do what I hate. Now if I do what I do not want, I concur that the law is good. So now it is no longer I who do it, but sin that dwells in me."

Romans 7:15-17

Outline the two types of sin; two types of actual sin; three criteria for mortal sin; three elements of a moral act

1 Grave Matter: have we broken a commandment?  
heavy weighty

2 Full knowledge: We know it is wrong & how serious it is.  
(culpable vs ignorance)

**I Agree** 3 Free consent: we freely choose to do it anyway.

Morally Good Act:

1. Good Object: what the act is

giving alms   
murder 

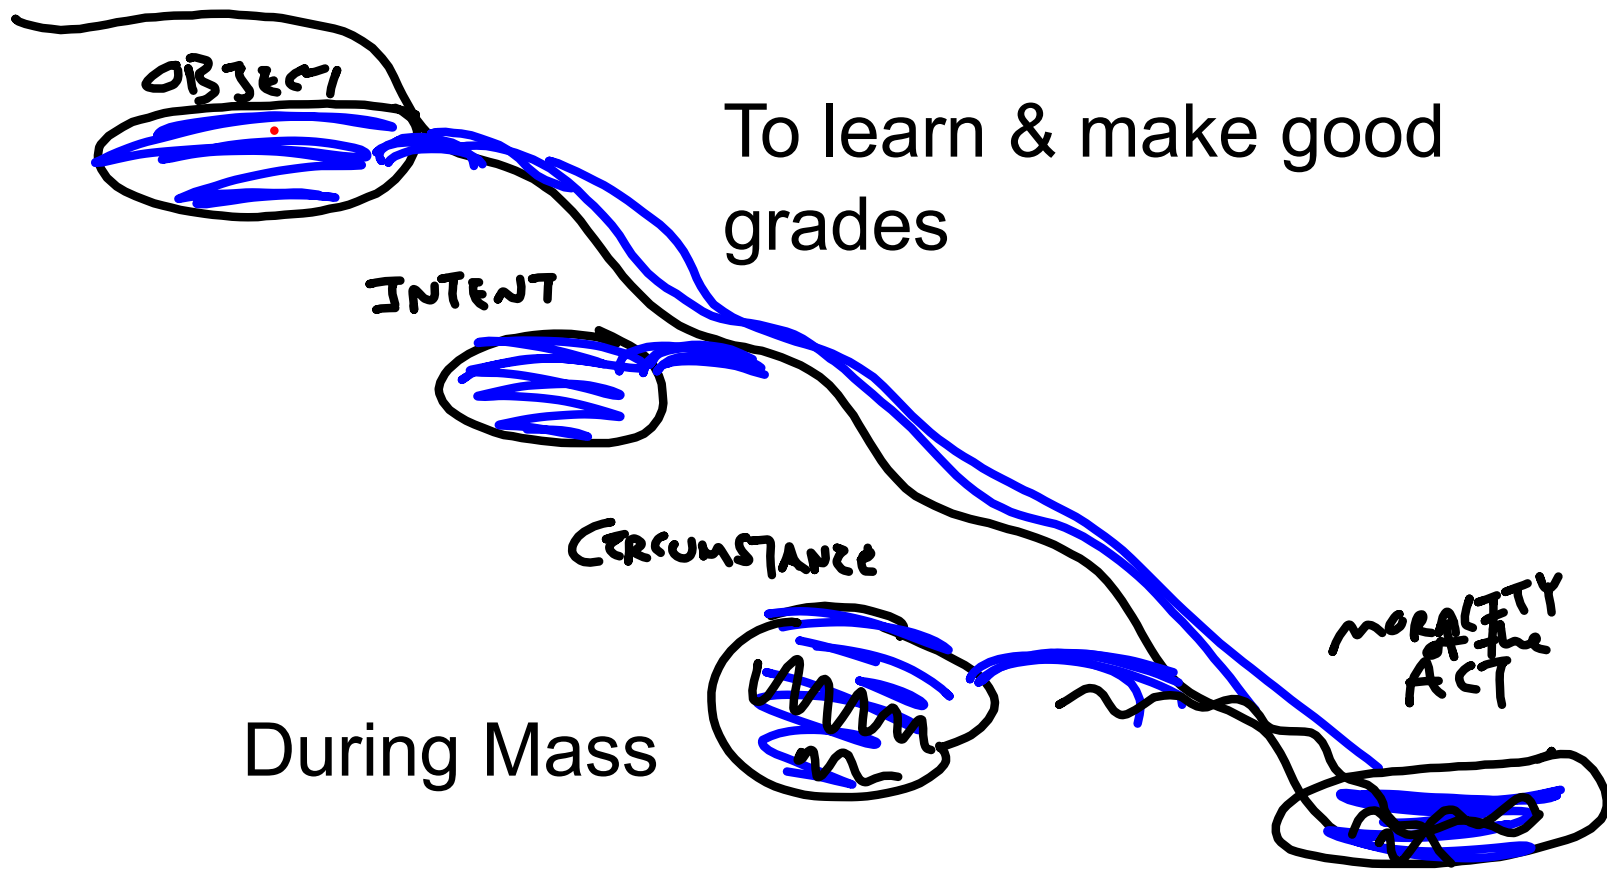

2. Good Intention: why the act is done

giving alms out of love for the poor   
giving alms to save money on taxes 

3. Good Circumstances: other situations surrounding the act that affect its morality or seriousness

Giving to the poor at Fish Pantry =   
stealing from a store to give to the poor =   
stealing from a Church = Worse

What is a conscience? <sup>with knowledge</sup> ← we must educate

- The act of our intellect by which we judge right from wrong in particular circumstances and determine if <sup>95/16</sup> something is good or evil;

Conscience, "with knowledge", is a judgment of reason, not a feeling or premonition, so we must properly form our conscience and study morality.
