

Dear 2nd Grade Students and Parents,

I am writing to you to welcome you to 2nd grade and introduce myself! I am Mrs. Drakos, I am excited to be working with 2nd grade again this year! You will be participating in many special events like First Reconciliation and First Communion during our time together in 2nd grade. We will also have lots of fun in the classroom learning about things like the Holy Mass, money, time, plants, our community, and much more! You will also get to continue having adventures with the Superkids!

I love to have fun while learning! This year, you will do lots of creating and problem solving, and you will be allowed to let your imagination run wild! I hope you are as excited about being in this classroom as I am about having you here. Enjoy the rest of your summer and I will see you in a few weeks!

Sincerely,

Mrs. Drakos
